# OVERVIEW.

Delivered just last year and now available for charter in pristine condition, VIRTUOSITY is a spectacular 57m quad-deck vessel with some wonderful outside spaces, an entire private owner's deck and an enormous sea-level beach club with a very extensive, brand new fleet of small craft and tenders, watersports equipment and toys. Stylish, versatile and exceptionally spacious, she's ideal for any type of yachting holiday in the western Mediterranean or the Caribbean.

Other onboard highlights include the glass-bottom swimming pool on the main deck aft, surrounded by great swathes of sunpads, and the large square jacuzzi pool on the foredeck – part of the master cabin's private open-air lounge – with its sweeping, elevated views of the seascape. The bridge deck aft is an outdoor party zone with a DJ booth and a massive mirror TV; there's also a panoramic seating area in a Portuguese bridge and the upper aft deck has a superb outdoor dining area as well as a sunbathing space, so every member of a large, diverse group of guests will find a place on board that perfectly suits their mood.

There are three large lounges. The upper deck saloon is effectively the master suite's living room; then there's the expansive main deck saloon – ideal for entertaining – with its lounge, dining area and cocktail bar. The beach club lounge, meanwhile, is the perfect place to hang out and unwind while the yacht is anchored for the afternoon, with fold-out terraces on three sides and an almost endless choice of watersports just a few steps away. The beach club also includes a gym, a hammam and a wellness centre.

The upper deck master suite includes a separate study and dressing room as well as a spectacular main cabin with a large en suite bathroom and commanding views on three sides. On the bow, past the suite's private foredeck lounge, there's a wide expanse of deck where a helicopter can land.

Up front on the main deck is a second full-beam master suite with a separate anteroom that serves as both a dressing room and a treatment room with a massage table. This leads into the main cabin where there's a study and armchair on the starboard side of the king size bed and a large en suite bathroom to port. The other four guest cabins are two VIP doubles and two twin, one of which is designed for servants or staff.

Whatever you can think of, this innovative yacht has got it... and more.
