# OVERVIEW.

One of the most sought after and popular charter yachts in the world, LADY BRITT is the perfect combination of great design, stylish interiors and one of the finest crews in the world of charter. Unique features include a double aspect sun deck divided by an air-conditioned gym with fabulous views. Wellness is becoming one of the key themes on the charter scene, and LADY BRITT is superbly well equipped in this area. All guests stepping aboard will be able to recharge both mind and body during their yacht charter. Exercise in the sun deck gym, detox in the waterside Finnish sauna, dive into the refreshing waters from the opening platform and then regenerate the senses with a hot stone massage in the spa from LADY BRITT's Elemis-trained spa therapist. Those looking for an adrenaline hit can take to the water via the 10m waterslide, or embrace their inner child messing around on the inflatable aquapark.

Cuisine is one of the most important elements in a superyacht charter and this is another area in which LADY BRITT excels. With her Michelin-star standard chef conjuring up tasty, nutritious and healthy dishes, seasonal produce is the order of the day. One evening, guests may choose to eat with their toes in the sand, taking advantage of her amazing beach set-up, with pavilions and sofas. Another evening might be an occasion for canapes and a five-course degustation. The luxury of choice for dining and locations whilst on board LADY BRITT are truly superb. With DJ equipment for a party on board, guests can dance the night away under the stars, or sit back and relax at the indoor or outdoor cinema screening from the regularly updated 1,500-title film library.

When it's time to retire, LADY BRITT's well-appointed, flexible accommodation will suit all charter guests' requirements. The master suite is located on the main deck, while a further 10 guests can be accommodated in six large lower deck suites. The stand out is the ability to convert the two VIP double cabins into a combined full-beam suite to be enjoyed.

Specifically designed for charter, comfort and service levels are big factors in LADY BRITT's charter appeal. A wonderful crew completes the picture of an amazing yacht for a fantastic charter. Join the club and become a regular on board LADY BRITT.
