AMIGOS

OVERVIEW.

Amels pulled out all the stops when building the highly-sought after charter yacht AMIGOS. An evolution of the popular Amels 180 Limited Editions range, her hull lines by the pre-eminent Tim Heywood are sleek and dramatic, deck spaces are generous and well-thought out, and her design features have been perfected.

Delivered in 2017, every inch of her 55 m(180.4ft) exhibits exceptional features, including her beach club and interior design. Whether chartering with a group of friends or family, as soon as you step on board, you will be ensconced in luxury.

Guests boarding AMIGOS from her large beach club will find palatial steps leading up to the main deck. Here you can enjoy a welcome drink before settling into your accommodation in the bridge deck master suite where you will be afforded breathtaking views and benefit from a private deck. Your guests will be shown to their own comfortable rooms, which include a VIP cabin on the main deck (with fold down terrace) and four further cabins on the lower deck.

As with all the interior areas, a striking monochrome theme runs throughout. Guests will most likely be keen to head straight into the water, whether in the sun deck jacuzzi or directly into the ocean. Those on the sun deck can spend the morning lounging on the sun pads or the loungers aft. Lunch on board is usually a relaxed affair when all the guests generally come together on the sun deck where an al fresco dining set up is shaded by the hardtop.

Spend a leisurely afternoon enjoying AMIGOS's many facilities. Whether you choose to work out in the gym, jump in for a dive, swim in the counter current jacuzzi, or mess about with AMIGOS's many water toys, easily accessed from her large beach club, the crew are on hand to help you in any way they can. After so much activity the beach club's steam room is the perfect place to unwind.

Ready for the evening ahead, head to the main deck and the stunning bar for a pre-dinner drink, before an al fresco dinner on the main deck aft. Step inside for music and entertainment, watch a movie on the sumptuous sofa or head up to the sun deck for a moonlit movie night. When the night comes to an end, perhaps enjoy one last nightcap on the private terrace of your master suite and reminisce about your amazing day aboard AMIGOS.
