

LIONESS V

OVERVIEW.

Extravagant in every way, LIONESSE V exemplifies Italian design at its most spectacular. Delivered by the renowned Benetti shipyard, with exterior styling by Stefano Natucci, she is an enduringly popular charter yacht with a strong client following. Spend the morning on the sun deck, laid out with carved stone steps that lead guests up to a large jacuzzi surrounded by velvet-covered sunbeds. When the heat of the sun is at its height, retreat to the cooler climes of the air-conditioned cinema, before you enjoy an al fresco lunch prepared by the yacht's highly accomplished chef. The entire crew of 18 ensures the utmost in service and enables guests to dive into new experiences.

Spend a leisurely afternoon enjoying the rest of the yacht's many facilities. Try your hand at fishing with the fishing pro, or learn how to flyboard, wakesurf or waterski with one of the crew's watersports instructors. There is also a personal trainer and two masseuses on board, so after a workout in the air-conditioned gym, you can enjoy a massage or simply relax on the large swim platform or in the hammam sauna.

Come the early evening and it's time for LIONESSE V to really show off. Designed for entertaining, her guest areas have been outstandingly assigned to allow for all manner of occasions. Step onto the main deck and you will be greeted with a opulent lounge and sweeping bar. Head up to the bridge deck and relax on the sumptuous sofas before an al fresco dinner at the large dining table for up to 14 guests. Alternatively, the sun deck transforms into a party deck once the sun sets and music pours out of the concealed surround speakers.

When the evening comes to an end the guest accommodation will not disappoint. Her interior by Argent Design envelops guests in luxury as soon as they step inside. Richly detailed with a host of exotic finishes the décor brings a level of sophistication that really sets her apart. Animal hide fabrics, mirrors and all manner of gilded decorative touches make for a lavish interior style.

Twelve guests are accommodated in six beautifully finished cabins, including a full beam master suite on the main deck with a private lounge, office, dressing room and capacious en suite bathroom. Three additional double cabins are located on the main deck, with two twin cabins on the lower deck. All feature state of the art media systems, providing the perfect retreat for quieter nights on board.
